

A New Monthly Art Challenge – Create, Explore & Inspire!

Dear Parents,

We are delighted to introduce a **new Monthly Art Challenge** designed to give our children even more opportunities to express their creativity, explore new ideas, and discover the joy of making Art.

Each month, a new Art topic and set of criteria will be introduced. The activity details, guidelines, and **submission deadlines** will be displayed on the Art Room Notice Board, allowing students to choose when and how they would like to participate.

Participation is completely voluntary and not compulsory. We warmly encourage students who enjoy Art or would like to try something new to take part. There is no need to worry about being “the best” — the most important part is to have fun, be creative, try new ideas, and enjoy the artistic process.

Through these monthly challenges, students will have the opportunity to:

- *Explore and experiment with different Art ideas and techniques.*
- *Develop their imagination and creative thinking.*
- *Express their own ideas and personal style.*
- *Share and discuss their artwork and ideas with friends.*
- *Learn how to find information and inspiration for their artwork.*
- *Practise managing their own time and working towards a deadline.*
- *Develop greater confidence and independence in their creative work.*
- *Discover Art as a fun and meaningful hobby that they can enjoy in their free time and at weekends.*

Students will be guided and supported by Ms. Andurette, Ms. Maizura, and Ms. Arene Mah throughout the activities whenever guidance is needed.

At the end of each monthly challenge, students' artwork will be celebrated in different ways. Certificates may be awarded for creativity, effort, originality, improvement and trying something new. Selected pieces may also be shared during assembly or displayed around the school. This will give students the opportunity to celebrate their creativity and share their achievements with the school community

Most importantly, we hope these activities will encourage our children to be brave with their ideas, think creatively, try something different, and enjoy creating Art in their own unique way.

We warmly invite all interested students to join us on this exciting creative journey. We look forward to seeing the wonderful and imaginative ideas our young artists will create!

Thank you very much for your continued support and encouragement.

Kind regards,

Ms Arene Mah

International Primary – Art Teacher
