Bangkok Prep: The Constant and True Choice

For more than two decades, Bangkok Prep has set the standard for excellence, with student outcomes consistently improving year after year. We have built a reputation for outstanding teaching and learning, producing results that place us among the very best British international schools in Asia.

Over the past few years, Bangkok has seen many new international schools open, often with high fees and big promises. But the truth is, a school can't demonstrate real success—like strong Key Stage 4 or 5 results, or proven university destinations—until it's been established for at least eight years. It simply takes that long for a student to complete their full educational journey, from primary years to graduation.

While these new schools offer glossy marketing, they can't yet show the hard evidence of success that parents need to make such an important decision. Bangkok Prep, however, is well past that stage. We have a long and proud history of continuous achievement that proves our students thrive year after year. The longer a student is with us, the more they flourish, from their first steps in Primary School right through to graduation.

Our remarkable success is the direct result of our unwavering focus on **developing the whole child**, paired with **uncompromising**

academic rigor. We believe education is about more than just outstanding exam results—it's about nurturing well-rounded, confident, and creative individuals who are ready to make a positive impact on the world.

We are particularly proud of our **proven pathways for success.** Bangkok Prep supports every type of learner, from those with technical and creative talents to those who aspire to the world's most prestigious universities. Our graduates consistently earn places at institutions like the University of Cambridge, Ivy League schools, and other leading universities across the globe. This isn't just an ambition; it's an established tradition.

Families can trust that their children will benefit from a school that has already demonstrated success at every level of education and continues to raise its standards. With our established results, consistent academic growth, and history of guiding students to the very best global opportunities, we offer something truly unique: a school where **proven excellence meets limitless futures.**

From the Head of Primary

Welcome to the latest issue of Constant and True!

It's been another truly exceptional year for our Bangkok Prep community. With our new campus now a familiar home, we've been able to focus all our energy on what truly matters: the learning and growth of every single child.

At Bangkok Prep, we believe that an inclusive environment is a powerful one. We're incredibly proud of our diverse and welcoming community, where every student's unique strengths are celebrated. Our reputation continues to grow as does our supportive community. Our teachers are committed to making learning personal, tailoring their approach to support each child, ensuring that every learner, regardless of their starting point, can flourish and reach their full potential. This commitment to personalised learning ed, high-quality teaching is the cornerstone of our school and the reason behind the outstanding progress our students make.

The results from this year are a clear reflection of this success. We are thrilled to report on the significant progress our children have achieved:

- In Maths, 96.4% of our students at the end of Key Stage 2 achieved 'expected' or 'better than expected' progress.

- In Reading, 96.3% of our students at the end of Key Stage 2 achieved 'expected' or 'better than expected' progress.

- In Writing, 95.6% of our students at the end of Key Stage 2 achieved 'expected' or 'better than expected' progress.

As we look back on the successes of the past year, we can be confident that our commitment remains Constant and True. We will continue to build on this momentum, ensuring that Bangkok Prep remains a place where all children are not just taught, but genuinely inspired to learn and grow.

Our strategic priorities

The things that make us unique are an asset. What unites us together is vital: We live by **our values** and we share a **relentless commitment** to **just keep getting better**. I am proud to be one of the many people who contribute to and benefit from Bangkok Prep. For my small part of Constant and True this year, I choose not to look back but to share **our next steps as a school**.

1 COMMUNITY: Getting Stronger

We will build on our current model of **High Quality Teaching and Learning** ensuring our evidence informed practice is lived out for all learners of all ages. Strengthening our **SEND provision** will be a key priority.

We will add a definition of **wellbeing at Bangkok Prep** to our guiding principles which thread through everything we do including policy and decision making.

2 SUSTAINABLE: Growing Together

We will **keep our culture** as we **change our ways of working** to be **sustainable** for a **large school**. We must prepare our spaces, places and people for more students, staff and families.

3 GLOBAL: Better for everyone

We will ensure **more opportunities for home and host language**

learning and use. We want to see more "**International Learning Opportunities for Students**" (ILOS). We will benefit from multilingualism, ensuring a more inclusive environment.

4 FUTURE: One Team One Dream

We will **align teams and times** in our school to ensure we are **one school**, from tiny tails to graduation, that has many **opportunities for all**.

The dream is that all these changes make things better, the reality is some may fail. Either way, we will learn and resolutely move into **the future we want to create**. We must be prepared to **make changes, seize opportunities** and **mitigate risks and disadvantages**.

We are committed to doing this together.

Constant and true, we will PREPare our COMMUNITY for a SUSTAINABLE GLOBAL FUTURE.

We will lead the way.

IGCSE Results 2025

We are delighted to announce this year's fantastic IGCSE results in a cohort of 118:

 **92% OF GRADES WERE A*-C**

 **58% OF GRADES WERE A*-A**

We know our students are so much more than their grades, but we want to congratulate everyone who sat IGCSEs and A Levels this year.

A Level Results 2025

Our students showed responsibility, resilience, kindness and have excelled in their time at school. We are very proud of their accomplishments in and out of the classroom and are extremely pleased to announce an amazing set of A Level results, in a cohort of 95:

 **72% OF THE A LEVEL QUALIFICATIONS OUR STUDENTS EARNED WERE AWARDED AT A*-B**

 **52% OF ALL GRADES ACROSS ALL SUBJECTS WERE A* OR A**

Congratulations to all of our graduating students – we are very proud of you. These results have secured places in world class universities and many of the best undergraduate courses in the world.

Our graduates are ready for the challenges and opportunities ahead and we look forward to witnessing the positive impact they have in their next steps: Congratulations Bangkok Prep Class of 2025!

This data shows the high standards of teaching and learning at the school and, very importantly, it represents our commitment to the school vision and life values. These outcomes are not possible without teamwork, responsibility and active learning!

We strive to instil our vision of:

“Preparing our COMMUNITY for a SUSTAINABLE GLOBAL future”

in to each and every student at Bangkok Prep. Nothing could make our community happier than another piece of evidence that shows we are doing just that.

Bangkok Prep Class of 2025 Graduation

Congratulations to all 95 Graduates from our Class of 2025.

On June 21, 2024, we proudly watched 95 students graduate from Bangkok Prep, a milestone etched in our history.

We were honoured to welcome M.L. Kwantip Devakula (Chef Pom Devakula), Renowned Thai chef and culinary expert, as keynote speaker at Graduation, who served insightful words of wisdom and advice to our cohort as they begin the exciting next chapter of their educational journey.

Congratulations to the Class of 2025! Your journey with us may have ended, but your adventure has just begun.

And, remember, once a bulldog, always a bulldog. Stay connected for more alumni events and opportunities to reconnect.

Kids' Lit Quiz World Finals in South Africa

What an incredible way to end the summer! We're thrilled to share the amazing news that four of our very own Year 8 students—Isaac Teh, Meena Treesirikasem, Nelly Meller, and Pinta Prapasornpittaya—traveled to Johannesburg, South Africa, to compete in the Kids' Lit Quiz World Finals 2025.

Our team proved they are true titans of literature, finishing in an astounding fourth place! The competition was incredibly tight, with the final scores for the top four teams separated by just one point. This close race shows just how brilliant and knowledgeable our students are, putting their immense reading skills to the ultimate test against the best young minds from around the world.

The trip wasn't all about the competition, though. Our students had a chance to explore South African culture, from visiting local sites to enjoying new foods. They even met an author who signed some books just for us! You can find these new treasures in the secondary library, so be sure to check them out.

A huge shout-out and thank you to the parents for their incredible support. We are so proud of Isaac, Meena, Nelly, and Pinta for their hard work, dedication, and for representing our school and the Kingdom of Thailand with such distinction.

Primary Prize Giving & End of Year Celebrations 2024/25

In the final weeks of Term 3, Bangkok Prep proudly hosted the Year 3-Year 6 Prize Giving ceremonies in the Secondary Auditorium. Children and their families gathered with excitement as the award winners for 2024/25 were revealed and celebrated.

These ceremonies were a wonderful opportunity to recognise the hard work, achievements, and growth of our Primary students over the past academic year. From academic excellence to contributions in the arts, sports, and community life, each award reflected the values and spirit of Bangkok Prep.

Congratulations to all of our Prize Giving Award winners – we are so proud of you!

Primary Leadership Team

Secondary Prize Giving

In June, the Secondary Campus hosted four Prize Giving events to celebrate the Achievement, Progress, Leadership and Attitudes for our learners; one ceremony for Year 7, one for Years 8 and 9, one for Key Stage 4 and one for the Sixth Form. We gave out over 270 awards across the Secondary School ceremonies, which allow us to celebrate the work of our students in all aspects of school life.

The ceremonies were attended by not only the students in the year group(s) receiving awards, but also their parents, members of ALT (including Khun Patrada and Duncan Stonehouse), the Secondary Leadership Team, Year Leaders, Faculty Leaders and some Department Leaders. This year our Head Boy (Sushi Sukitpaneenj) and Head Girl (Kwan-kao Kansiri) were our hosts for the ceremonies and helped ensure the events ran smoothly. Our sincere thanks to them. We were also treated to musical interludes from Orm Bulsook (Year 7), Jasmine Hanley (Year 8), Hilary Leung & Miu Miu Ekvihtapong (Year 11) and Monica Suravanichsri & Tul Wongmee (Year 13), and our Jazz Band provided a finale to proceedings. A thank you to the students, and Mr Green and Ms Supatravanij for all their work on these musical items.

This year our Highest Academic Award, the Dr Sippanondha Award, was given to Pinta Prapasornpittaya (Year 7), Mila Virangkabutra (Year 8), Javi Suero (Year 9), Maya Wolfarth (Year 10), Jennifer Ahn (Year 11), Pip Purttiponthanee (Year 12) and JL Yuwaprecha (Year 13).

The Spirit of Bangkok Prep Award, also known as the Head of School Award, is given to one student in each Key Stage that embodies the Bangkok Prep Life Values, has shown effective Student Leadership, is a student who recognises others needs before their own and is prepared to support, listen, care, represent and stand up for each and every member of the community. This year the winners of these awards were Prim Eualapan (Key Stage 3 recipient), Minseo Kim (Key Stage 4 recipient) and Elisa Portet (Sixth Form recipient).

Our congratulations to all our Prize Giving Awards winners. You should all feel very proud of your efforts this year.
